What Dr. Nott Stated: I Can, Only In a Few Cases, Grow Hair on a Bald Head, But I Can Always Save What You Have, and I Never Failed to Restore Gray Hair to the Vigor and Color of Youth.

The most beautiful face appears plain indeed if not crowned with a head of luxuriant hair. One of the greatest charms of a beautiful woman is her hair; no woman can be said to be a specimen of feminine beauty who has short, thin, scraggly hair. When we speak of a Delilah, we call to mind the image of some fascinating creature with long, wavy, luxuriant tresses. Falling hair as well as gray hair rings the death knell of feminine charm, beauty and vigor.

Q-Ban Hair Restorer will make gray-haired people look youthful, and after it has done its work no barber, physician or specialist can perceive that it is the work of art or medication. No woman need be without a luxuriant head of hair if she can obtain Q-Ban Hair Restorer. Falling hair it corrects after one or two applications, and it increases the strength, length, vigor and thickness of the hair.

Any druggist will assert that if six bottles of Q-Ban Hair Restorer does not change gray hairs to a youthful color, and that, if both the Restorer and Tonic do not arrest falling hair, cure dandruff, etc., that your money will be refunded if you have used up to the sixth bottle. You know your druggist—ask him.

Motley Drug Co. recommends and sells these preparations. If you are gray haired or your hair is commencing to fade, you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Ellis Drug Co., Memphis, Tennessee.

Washington, D.
